### Draft tree planting plan for Cornhill Drive

### November 2025

A draft tree planting plan was displayed in multiple locations in Cornhill Drive and sent to local residents. In addition, it was added to the consultation page on the Bristol City Council website.

#### What happens next?

Tree planting will take place between December 2025 – March 2026

**Comments received:** We have given these comments consideration and provide responses below. Please note, we will only respond to comments that directly refer to the consultation.

Comment	Response
Good idea and great initiative for the area.	Many thanks for your comment.
Can the trees be planted a few metres away from the roadside so that parking can still be accommodated?	Yes, we will ensure that the trees are planted away from the curb side to reduce any impact on parking.
How can we volunteer?	The tree planting is due to take place on 11 <sup>th</sup> December 2025 from 10am – 2pm. Please contact <a href="mailto:onetreeperchild@bristol.gov.uk">onetreeperchild@bristol.gov.uk</a> if you would like to take part.
Tree planting will take away the green space for children and dog walkers to enjoy.	We will be planting small, heritage varieties of fruit trees that will be planted at least 4m apart and will grow to 2-3m in height. The trees will provide a habitat for many species of pollinators and help combat environmental factors. With 4m between each tree, we hope there will be enough space for all site users to enjoy.
Current trees are not maintained, and leaves are not picked up causing issues with drainage and flooding.	Thank you for highlighting this problem. Please report any issues with drainage to <a href="http://www.fixmystreet.bristol.gov.uk">www.fixmystreet.bristol.gov.uk</a>
