

# Frank Leigh

**I am standing as a candidate for the Bristol City Youth Council because:**

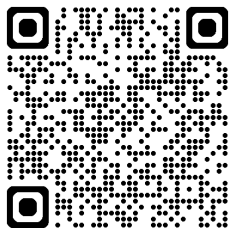

*I would like everyone in my school to feel connected & proud of Bristol.*

**One top issue that I feel is important to young people is:**

*Getting people my age involved in groups & activities, we can have an impact on mental health, screen time use & potentially even on youth crime.*

**How will I represent & get the views of young people:**

*I would like to build further connections around the city with the hope of building & promoting an 'activities' database to improve youth engagement.*

# Cheyenne Jackson

**I am standing as a candidate for the Bristol City Youth Council because:**

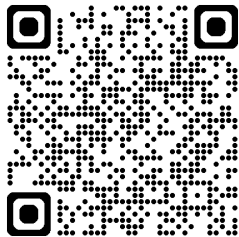

*I want the youth to have more of a say in the things that affect us.*

**One top issue that I feel is important to young people is:**

*All I want is better for, not only Bristol, but for the younger people in this country.*

**How will I represent & get the views of young people:**

*I have lived in South Bristol my entire life so I know how children feel & I want them to realise what good I can do.*

# Harrison Giddings

**I am standing as a candidate for the Bristol City Youth Council because:**

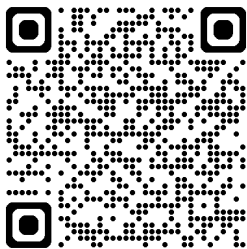

*I can make young people feel more at home and make Bristol more accessible to people.*

**One top issue that I feel is important to young people is:**

*There is not enough bike paths in Bristol.*

**How will I represent & get the views of young people:**

*I will visit a new youth group every week to ask people about anything that could make Bristol a better place.*

# Joy Lin

**I am standing as a candidate for the Bristol City Youth Council because:**

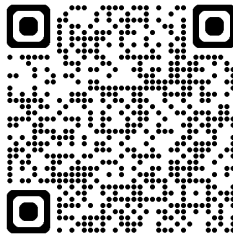

*I would like to increase awareness & support for young people.*

**One top issue that I feel is important to young people is:**

*Lack of safety for young people, especially at night.*

**How will I represent & get the views of young people:**

*Going to schools, campaigning with different organisations to see how to best benefit the lives of everyone.*

# Leon Green

**I am standing as a candidate for the Bristol City Youth Council because:**

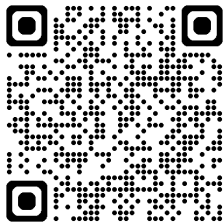

*I want the young people of Bristol to unite & work together*

**One top issue that I feel is important to young people is:**

*To make sure the politicians of Bristol listen to young people*

**How will I represent & get the views of young people:**

*I would represent & get the views of young people through social media & speaking with them in schools.*

# Prevail Oghome

**I am standing as a candidate for the Bristol City Youth Council because:**

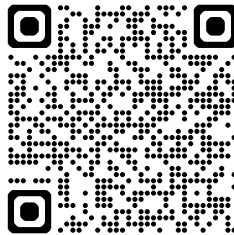

*I want to make Bristol a more safer place*

**One top issue that I feel is important to young people is:**

*For young people to be able to stay safe*

**How will I represent & get the views of young people:**

*Hold a meeting or a conference & ask for the opinions of young people*

# Suryajit Niranjana

**I am standing as a candidate for the Bristol City Youth Council because:**

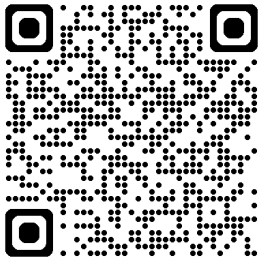

*To make Bristol a better city for young people*

**One top issue that I feel is important to young people is:**

*Knife crime & safety*

**How will I represent & get the views of young people:**

*Use my presence in the community to get the views of young people*

# Tristian Meren

**I am standing as a candidate for the Bristol City Youth Council because:**

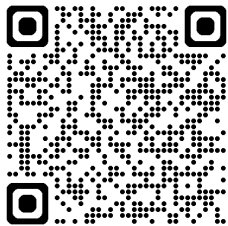

*I can represent the top issues for Bristol*

**One top issue that I feel is important to young people is:**

*Protecting the environment, teach young people about recycling & being mindful about consuming energy*

**How will I represent & get the views of young people:**

*Speak to young people directly through schools or youth clubs*

# Michelle Ibiyemi Osewa

**I am standing as a candidate for the Bristol City Youth Council because:**

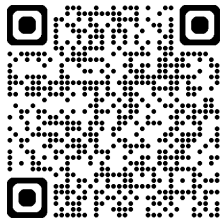

*To increase young people getting involved in politics & voting.*

**One top issue that I feel is important to young people is:**

*Social media has an impact on young people being themselves.  
Young people should feel safe & not have to fit in to the norm.*

**How will I represent & get the views of young people:**

*To be an active ally to young people & ensure I hear their voice.*

# Orla Shikrakar

**I am standing as a candidate for the Bristol City Youth Council because:**

*I believe everyone should deserve a voice & be heard, no matter what age.*

**One top issue that I feel is important to young people is:**

*Mental health, I am interested in better access to the support young people need especially in schools.*

**How will I represent & get the views of young people:**

*Run polls, explore themes with young people and discussing solutions.*
