Tree planting plan for Cumberland Basin South (Land adjacent to Ashton Avenue Pumping station)

A draft tree planting plan for a small community orchard of 10 heritage trees was created in partnership with the Friends of the New Cut community group.

The consultation was circulated to residents and displayed in locations in the area. In addition, it was added to the consultation page on the Bristol City Council website.

Below is a summary of the comments and enquiries received; Bristol City Council's response; and any revisions to the plan where appropriate.
