

ARE YOU A PARENT OR CARER OF A CHILD WITH SEND? (SPECIAL EDUCATIONAL NEEDS OR DISABILITIES)

..... WOULD YOU LIKE TO HELP OTHER FAMILIES?

Bristol City Council's SEND Engagement team are making short videos of parents and carers talking about their lived experience.

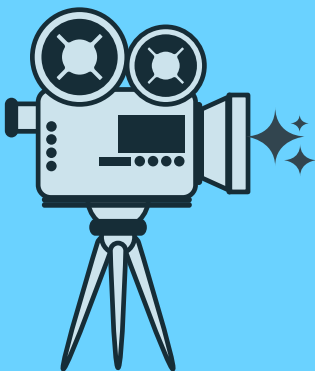

We'd like to know what you found helpful when your child was first identified with SEND and what support you and your family continues to find helpful.

We hope that the videos will be reassuring for other families, and an accessible alternative to the written information that already exists.

What would this involve?

It'll take an hour of your time. The filming could take place wherever you feel most comfortable, alone or with other families that you know.
