Dhammaan Dadka Degan Barton House,

Wargelinta Axadda

Dad badan oo idinka mid ah waxa habeenimadii Jimcaha soo booqday maayarka magaalada Marvin Rees si uu wax uga ogaado wixii toddobaadkan idinku dhacay iyo in uu idinkala hadlo tallaabooyinka xiga ee la qaadi doono. Hawlo badan iyo baadhitaano kala duwan oo isku dhafan ayaa dhismaha lagu samayn doonaa (complex building surveys), sidaa daraadeed waxa nasiib darro ah in aydaan guriyihiinii ku noqon doonin labada ilaa saddexda toddobaad ee soosocda. Wixiii markaa kadib la qaban doono waxay ku xidhantahay natiijooyinka ka soo baxa baadhitaanada dhismaha lagu samayn doono.

Waan hubaa in arrintani aanay noqon doonin wax aad la yaabtaan, laakiin waa in aan idiin xaqiijiyo. Kooxda shaqaalahayaga katirsan ee arrintan u xilsaaran waxay dedaal dheeraad ah ugu jiraan sidii ay u heli lahaayeen hoy ama meel idinku haboon oo si ku-meelgaadh ah aad u sii degtaan. Saraakiisha Guryaha (Housing Officers) ayaa si joogto ah qof walba xaaladdiisa ugala hadli doona oo warbixin joogto ah siin doona.

Ilaa inta xaaladdan lagu jiro, gurigaagii waxa aad ku noqon kartaa oo keliya si aad uga soo qaadato wixii aad u baahantahay waayo markii la idin faray in dhismaha aad si dhakso ah uga soo baxdaan waxa la idinku wargeliyay in aad soo qaadataan dhar ama waxyaabaha kale ee lamahuraanka ah ee muddo kooban aad u baahantihiin. Gurigaaga (flat) waxa aad booqan kartaa oo keliya maalintii si aad uga sooqaadato wixii alaab ah ee aad u baahantahay, laakiin waxaad u baahantahay in ilaalada (security) aad tusto kaadhka aad guriga ku gasho (residents' fob) si aad u xaqiijiso in aad kamid tahay dadka dhismaha deggan.

Ilaalada Barton House waanu kordhinay, mar walba ama wakhti kasta waxa dhismaha joogi doona afar qof oo ilaalo ah (four security officers) iyo weliba dadka u tabobaran ee sida caadiga ah dhismaha ilaaliya (Waking Watch) iyo booliiska xaafadda oo iyagu na si joogto ah uga warhayn doona.

Way mahadsanyihiin dhammaan dadkii araa'dooda noo soogudbiyay. Waanu ku dedaalaynaa in waxyaabo badan aanu wax ka qabano sida cuntada, dhar-maydhashada iyo xayawaanka la rabbaysto (sida eyda iyo bisdaha, wim.)

Waanu dareensan nahay in dhacdadani ay adiga iyo qoyskaaga xaalad adag idin gelisay, waxaan ku hawlan nahay sidii aan idiin siin lahayn lahayn taageerada aad u baahantihiin. Haddii aad u baahantahay taageero ama daryeel la xidhiidha
