Bristol Local Plan: Schedule of modifications to the Policies Map

April 2026

Introduction

On 31 October 2023, Full Council agreed the Local Plan publication version (November 2023). Following this approval, a representation period was carried out between 21 November 2023 and 26 January 2024. The local plan was submitted to the Secretary of State on 25 April 2024. Examination hearings were held between 25 February 2025 and 23 April 2025.

The council is now undertaking a consultation on the main modifications proposed.

The schedule of modifications to the policies map

The policies map is not defined in legislation as a development plan document. The role of the policies map is to illustrate geographically the application of policies in the plan. The changes shown below are subject to consultation alongside the main modifications.

This document contains the proposed modifications to the policies map. The first column of the schedule provides the modification's reference number – please refer to this in your representation. The second column provides the location of the modification in the plan. The third column provides the proposed modifications to the text of the plan. The fourth column provides the reason for the modification's proposal.
