YOUR COMMENTS ON THE CASE

I wish to make the Inspector aware of the continuous large fires that are being started on this site. The Fire Brigade at Hicks Gate were again called out to another large fire on this site last week. As an allotment holder on the site next door it is not a nice feeling when you can hear things "popping" like explosions from the fire. They are loud and worrying when you are trying to attend to your allotment. I have concerns these fires will spread to our allotments. The fact that the fire brigade had to be called out again to this site to attend to a fire, this is the third time that I am aware of the fire brigade attending fires on this site.
